FACILITY OVERVIEW

The following proposal outlines cleaning services for an ACE Hardware retail store of approximately 7,000–8,000 square feet. The primary surface is white VCT (vinyl composition tile) flooring. The main focus is maintaining clean, presentable floors that reflect well on the business. Restrooms were not included in the walkthrough and are excluded from this scope unless added later.

PRICING

Service Plan	Frequency	Monthly Rate
Standard Plan	3x per week	\$1,300
Busy Season Plan	5x per week	\$2,100
VCT Strip & Wax (full floor)	As needed	\$0.35/sq ft

Note: The Standard Plan (3x/week at \$1,300/month) includes daily sweeping and damp mopping each visit, plus a full auto-scrub twice per week. We recommend this over scrubbing 3x per week — daily mopping with twice weekly machine scrub is sufficient to maintain VCT tile appearance without wearing down the finish prematurely.

The Busy Season Plan (5x/week) can be activated as needed during peak retail periods to keep floors looking their best with higher foot traffic.

ADDITIONAL SERVICES (Billable Separately)

- VCT Strip and Wax: \$0.30–\$0.50 per square foot (quoted per project)
- Tile and Grout Cleaning: \$0.20–\$0.35 per square foot
- Window Cleaning (interior): \$4.00–\$6.00 per panel

TERMS AND CONDITIONS

This Agreement is made between CleanWorks Solutions LLC ("CleanWorks Solutions") and ACE Hardware ("Client") for the provision of Cleaning Services. This document outlines the Scope of Work and defines the working relationship between the two parties. This Agreement becomes effective on the date the Client signs it and continues until the agreed-upon Termination Date.

1. Description of Services

Beginning on a mutually agreed-upon date, CleanWorks Solutions will provide Building Maintenance Services ("Services") for the Client. A full description of these services, including the frequency and specific tasks, can be found in the Scope of Work section of this document. Should the Client require additional services, CleanWorks Solutions will provide a quote upon request. The Scope of Work and pricing can be adjusted to meet service and budget needs. Additional services may be added as an addendum to this contract or as a separate contract, as agreed upon by both parties.

2. Scope of Work Limitations

CleanWorks Solutions will not be responsible for work beyond the scope outlined in this Agreement unless otherwise agreed in writing by both parties. Changes in store occupancy, floor layout, or flooring material should be communicated so we can provide an updated proposal. All changes to services must be agreed to in writing and must reference this Agreement. For questions or requests regarding additional services, please contact your CleanWorks Solutions Account Manager.

3. Payment for Services

Charges for the services provided by CleanWorks Solutions will be as follows: Standard Plan (3x/week) at \$1,300 per month, or Busy Season Plan (7x/week) at \$2,100 per month. Payment is due within 30 days upon receipt of the invoice. Services are billed monthly. The first month of service will be prorated. If the Client uses a third-party billing service, a \$35 monthly service charge will be added to the invoice. Accounts not paid within 60 days are subject to a 3% monthly finance charge, not to exceed 10% per year.

4. Optional Services

CleanWorks Solutions offers the following optional services, billed separately from regular cleaning services: VCT Strip and Wax at \$0.30–\$0.50 per square foot; Tile and Grout Cleaning at \$0.20–\$0.35 per square foot; Window Cleaning (interior) at \$4.00–\$6.00 per panel. If additional services are added after the monthly invoice has been sent, the additional charge will be included in the following billing cycle. The Client is responsible for providing consumable products (soap, paper goods, etc.).

5. CleanWorks Solutions Responsibility

CleanWorks Solutions is responsible for salaries, wages, taxes, and insurance for cleaning staff; equipment costs and maintenance, employee uniforms, protective gear, and staff communication devices; chemicals and cleaning supplies required to fulfill services; and General Liability Insurance coverage. If payment is not received by the agreed due date, service charges will apply. Payments past 60 days will result in suspension of services. Payments past 90 days will result in collection actions and reporting to credit bureau agencies. Legal fees for recovery of payment will be borne by the Client. Monthly charges account for all recognized holidays and variations in service days; therefore, no monthly fee adjustments will be made.

6. Termination of Contract

Either party may terminate this contract with thirty (30) days' written notice. If the Client initiates termination, the final payment for 30 days of service will be due immediately following the notice. Services will continue as normal until the termination date if CleanWorks Solutions initiates termination. CleanWorks Solutions will return the building keys upon receipt of the final payment.

7. Holidays

Services will not be performed on the following Legal Holidays unless specifically requested by the Client:

New Year's Day (January 1st);

Memorial Day (Last Monday in May);

Independence Day (July 4th);

Labor Day (First Monday in September);

Thanksgiving Day (Fourth Thursday in November);

Christmas Day (December 25th).

8. Relationship of Parties and Employees

CleanWorks Solutions staff and Client staff will commit to mutually respectful interactions. Additional work services will be requested through the designated Account Manager, not directly to cleaning staff. CleanWorks Solutions staff will respond promptly to all work requests and concerns. The Client agrees not to hire CleanWorks Solutions employees for six (6) months following contract termination. A fee of seven (7) times the monthly salary of the team member applies if the Client wishes to hire a CleanWorks Solutions team member. CleanWorks Solutions staff are not considered employees of the Client and are not responsible for withholding Federal or State taxes. The Client will provide necessary resources for service performance, such as building access and access to supply areas.

9. Joint Management Responsibility

Both parties share responsibility for work management and oversight. Designated managers will meet regularly to review services, address questions, and prioritize work. CleanWorks Solutions will schedule quarterly reviews to ensure clear communication and satisfaction with services. Changes to the scope of work must be communicated to the CleanWorks Solutions Account Manager for an adjusted proposal.

10. Confidentiality

Both parties agree to maintain the confidentiality of all proprietary or sensitive information shared during the term of this agreement. This includes but is not limited to business practices, client information, and operational procedures. Neither party will disclose such information to third parties without written consent from the other party unless required by law.

11. Liability and Indemnification

CleanWorks Solutions will carry general liability insurance and agrees to indemnify and hold the Client harmless from any claims, damages, or lawsuits (including legal fees) arising out of injuries, property damage, or any negligence by CleanWorks Solutions' employees during the performance of their duties, except where such claims arise from the Client's negligence. The Client agrees to indemnify and hold CleanWorks Solutions harmless from any claims, damages, or lawsuits (including legal fees) arising from the Client's negligence or failure to adhere to safety or operational guidelines.

12. Dispute Resolution

In the event of any disputes arising from or relating to this Agreement, both parties agree to make a good faith effort to resolve the issue through informal discussions. If the dispute cannot be resolved within 30 days, both parties agree to submit the dispute to mediation before pursuing litigation.

13. Force Majeure

Neither party will be held responsible for any delays or failures in performance resulting from events beyond their reasonable control, including but not limited to natural disasters, pandemics, government actions, or labor strikes. Either party must notify the other promptly in writing of any force majeure event that could impact the delivery of services.

14. Safety and Compliance

CleanWorks Solutions agrees to comply with all applicable federal, state, and local laws and regulations, including health and safety guidelines. The Client agrees to provide a safe working environment and promptly report any hazardous conditions that may impact the performance of services.

15. Amendments

This Agreement may be amended only by written consent of both parties. Any modifications to the scope of services, fees, or other terms must be in writing and signed by both parties to become effective.

16. Severability

If any provision of this Agreement is found to be invalid or unenforceable by a court of competent jurisdiction, such invalidity shall not affect the remaining provisions of this Agreement, which will continue to be enforceable in full.

17. Entire Agreement

This Agreement constitutes the entire agreement between the parties and supersedes all prior agreements, understandings, and negotiations, whether written or oral, regarding the subject matter herein.

RECOMMENDATION

For a 7,000–8,000 sq ft ACE Hardware with VCT tile flooring, we recommend starting with the Standard Plan (3x/week at \$1,300/month). This covers daily sweeping and mopping to keep the floors clean, plus twice power-scrub per week to maintain appearance without over-processing the finish. Our approach extends floor life while keeping the same visual standard.

When the busy season hits and foot traffic increases, the plan can be upgraded to 5x/week cleaning plus 3 times power-scrub per week (\$2,100/month) to keep pace.
